FEDERAL

VOTES POLLED BY POLITICAL PARTIES – FEDERAL ELECTIONS IN SASKATCHEWAN

NOTE: The figures for the elections of 1908 and 1911 are taken from the official reports of the Clerk of the Crown in Chancery for Canada. For elections since 1911, only the figures for “voters on list” and “votes polled” are provided in the reports of the Chief Electoral Officer. Party totals were compiled by totaling the constituency results. In elections from 1921 on, “votes polled” includes spoiled ballots. The decrease in voters on list between 1911 and 1917 may be accounted for by the several acclamations in the 1917 election.
